

## RMP Development Interest Form

*This form authorizes the Soil and Water Conservation District to include my name or operation on a list of those interested in having a Resource Management Plan (RMP) developed on all or a portion of my operation. I may be contacted by the VA Department of Conservation and Recreation and/or a private RMP developer about RMP development in the upcoming year.*

*Submit to your local Soil and Water Conservation District.*

Include a map designating land units to be included in RMP(s).

Soil and Water Conservation District name:

Participant name:

Participant phone number:

Number of acres to be included in an RMP(s):

Counties included in the RMP or RMPs:
