### WELCOME TO OCCONEECHEE STATE PARK.

To make your visit safe and more pleasant, we ask that you observe the following:

Take only pictures, leave only footprints. Park in designated areas only. Please note there is a parking fee charged year-round at all Virginia State Parks. Self-pay parking information is available at the contact station.

**PRESERVE** – Help preserve your park. Please don't cut or mar any plants or trees. Collecting animal or plant life is allowed only for scientific purposes by permit from the Richmond headquarters. Don't feed any wild animals.

**ALCOHOL** - State law permits alcohol use only in private areas (inside your cabin or camping unit) or in areas designated on permits issued by the Virginia Department of Alcoholic Beverage Control.

**PETS** - Pets are permitted in enclosed areas or on a leash no longer than 6 feet. Please clean up after your pet. Pets must be attended at all times. State Park regulations prohibit dogs on designated swimming beaches.

**DRONES AND OTHER AIRCRAFT** - Drones, other unmanned aerial vehicles, including remote control aircraft, and aircraft in general may not be flown in state parks pursuant to 4VAC5-30-400.

**LITTER** - Please help us keep the park clean by placing litter and recyclables in the proper receptacles and recycle centers or carrying out your trash. The releasing of balloons is not allowed. Decorative balloons must be deflated and disposed of as trash.

**FIRE** - Help prevent wildfires. Fires must be confined to grills, camp stoves or designated fire rings. Fires must be attended at all times and extinguished when left. Firewood is generally available for purchase at the park. Campers and guests may collect only downed and dead firewood. We enforce all seasonal and emergency bans on open fires.

**POLLUTION** - Help reduce pollution. Dump stations, laundry sinks and slop sinks, where available, are for the disposal of wastewater. No boat, RV or car washing.

**SWIMMING** - There is no designated swimming area in the park. Swimming or wading in unguarded areas may be hazardous because of swift currents, sudden drop-offs or unseen obstructions.

There is a spray park available at the park and it is open seasonally. Please see the park website for up-to-date hours of operation. The weather and other issues beyond our control may reduce the availability of the facility.
