After entering the Stafford County government office complex from Courthouse Road/Route 630, take a right into the parking area. You will see two parking lots; it is recommended that you park in the lot on the left. You will see three flags at the entrance of the building; go through the door behind the flags. You will be entering the ground floor of the building; take the elevator or stairs to the first floor. Follow a short hallway and you will see doors on the right marked A, B and C. If you have any questions, a guard or volunteer should be available at the desk as you enter the building.
