

VSMP General Permit for Discharges of Stormwater from Construction Activities (VAR10) Transfer Agreement

Instructions:

The general permit for discharge of stormwater construction activities may be automatically transferred to a new operator if the current operator notifies the permit-issuing authority at least 30 days in advance of the proposed transfer of the title to the facility or property, the notice includes a written agreement between the existing and new operator containing a specific date for transfer of permit responsibility, coverage, and liability between them.

The original copy of this agreement is mailed to:

Virginia Department of Conservation & Recreation
Stormwater Permitting
203 Governor Street, Suite 206
Richmond, VA 23219
