	Degree of positive impact on trail users	0-3		
	Degree to which project will benefit or expand access to new, disadvantaged, and/or underserved users	0-2		
	Max. points	;	5	
16b.	Access for people with disabilities (select from range for each)	Point Range	Points	Tota
	Project will contain specific design elements to provide an equitable experience for trail users with sensory (including visual), cognitive, neurological, and/or mental health disabilities	0-3		
	Project will contain specific design elements to provide an equitable experience for trail users with disabilities impacting mobility (including surface, slope, width, resting areas)			
	Project will exceed accessiblity standards (5 pts)			
	Project will meet accessiblity standards (4 pts)	0-5		
	Some but not all project elements will meet accessiblity standards, other elements fall under an allowable exception or are not covered by standards (2-3 pts)	0-5		
	Application contains insufficient information to verify project will meet minimum accessibility requirements or minimum requirements not met (0-1 pts)			
	Strength of organizational commitment to accessibility in all of its programs and services	0-2		
	Max. points		0	
16c.	Environmental quality impact (select from range for each)	Point Range	Points	Tota
	During project construction			
	Positive environmental impact or very minor impact (2 pts)			
	Negative environmental impact that will be reversed or mitigated when construction is complete (1 pts)	0-2		
	Negative impact that will exist after construction is complete (0 pts)			
	After construction			
	Improvements to environmental quality in several categories (3 pts)			
	Improvements to environmental quality in one or two categories (2 pts)	0-3		
	Improvements to environmental quality in one or two categories (2 pts) No change to environmental quality from preexisting (1 pts)	0-3		
		0-3		

Sect. C	Project Implementation		32 possibl	е
17.	Schedule (select from range)	Point Range	Points	Total
	Detailed schedule that shows understanding of RTP grant requirements and is clear, realistic, and well planned (5 pts)			
	Schedule less detailed, missing minor milestones, or shows lack of full understanding of grant procedures (3-4 pts)	0-5		
	Schedule unrealistic or missing major milestones (1-2 pts)			
	Not provided (0 pts)			
	Max. points	•	5	
18a.	Design (select from range for each)	Point Range	Points	Total
	Design completeness			
	Design and construction drawings complete (3 pts)			
	Construction drawings created, but not 100% complete (2 pts)	0-3		
	Project is beyond concept and feasibility stage, (preliminary designs complete, layout flagged, etc) (1 pt)			
	No site design complete (0 pts)			
	Appropriateness of design standards used to address the issue	0-2		
	Max. points	,	5	
18b.	Sustainability (select from range for each)	Point Range	Points	Total
	Degree to which design minimizes future resource inputs	0-4		
	Strength of design features that create built in resiliency against future use and weather events	0-4		
	Max. points		3	
19.	Future maintenance (select from range for each)	Point Range	Points	Total
	Appropriateness of planned maintenance tasks and planned frequency	0-2		
	Adequateness of labor and funding sources	0-3		
	Max. points	5		
20a.	Budget (select from list)	Point Range	Points	Total
	Budget itemized, comprehensive, includes reasonable cost estimates, how it was estimated is explained (3 pts)
