The preparation of this plan was financed in part through a Land and Water Conservation Fund planning grant. The plan was approved by the National Park Service, U.S. Department of the Interior, under the provisions for the Federal Land and Water Conservation Fund Act of 1965 (Public Law 88-578). The Commonwealth of Virginia is an equal opportunity employer.

Citizens
Input from citizens, private partners and organizations who attended one of 42 public meetings held across the Commonwealth was instrumental to developing this plan.

Planning District Commissions and Regional Councils
Staff enabled extensive public outreach and identified featured regional projects in this plan.

State and federal agencies
Cooperative relationships with sister natural resource agencies, along with state health and tourism agencies, are essential to outdoor recreation and land conservation.

Technical Advisory Committee
An array of stakeholders and representatives from outdoor recreation and conservation interests helped shape the plan and continue to provide direction and vision for outdoor recreation and land conservation.
