

**Conservation Reserve Enhancement Program (CREP)
State Portion – Practices & Incentives Table
(Updated Nov. 2015)**

| | |
|---|---|
| <p><i>Starting July 1, 2015 VA will provide a 50% cost-share payment for eligible cost of all CRFR-3 practices and 50% of eligible cost for any CRSL-6 when implemented in conjunction with a CRFR-3.</i></p> <p style="text-align: center;">Otherwise:</p> <p style="text-align: center;">CREP State Cost Share Payment is: 25% of eligible costs, pay the lesser of 25% of eligible cost (if documentation is available) or ½ of FSA cost share payment</p> | |
| Current Incentive | SWCDs pay the State Portion of the CREP Rental Payment for Restoration of Riparian Buffers Or Wetlands |
| <p>State rental payment REPORTED AS: CP-21 CP-22 CP-23 CP-29 (total amount is paid upfront after practices certified) <i>(adopted June 2000)</i></p> | \$ 5 per acre per full year of the contract |
| <p>State cost-share payment REPORTED AS: CRWP-2 CRWQ-1 CRWQ-11 CRWQ-6B</p> | 25% of eligible costs for all |
| <p>Any new (2016) CRFR-3 practice will receive a state cost-share payment equal to 50% of approved eligible cost Any new (2016) CRSL-6 implemented in conjunction with a CRFR-3 also receives a cost-share payment of 50% of approved eligible cost</p> | |
| <p>CRLF-1. Reporting Marker in CB & SR to capture the linear feet of stream bank protected when no fencing is installed or reported, NO PAYMENT</p> | |
| <p>When CP-22 and CRSL-6 are being implemented (statewide)</p> | <p>May approve VACS SL-7 to extend watering system into non CREP fields</p> |

Virginia does not contribute to CREP contract renewals unless new (additional CRFR-3 acreage) is included in the contract.
