# Lakeview Restaurant

**DOUTHAT STATE PARK  
MILLBORO, VA**

Following his inauguration in March 1933, Franklin D. Roosevelt introduced the Emergency Conservation Work Act, which led to the Civilian Conservation Corps (CCC). From across the country came an army of young men who dedicated their time and efforts to the rebuilding of America. Douthat State Park is a product of their work and, in 1986, the park was designated a National Historic District in recognition of the CCC's contribution to society.

Our restaurant is now equipped as a wireless hot spot.
