WELCOME TO KIPTOPEKE STATE PARK. To make your visit
safe and more pleasant, we ask that you observe
the following:
Take only pictures, leave only footprints.
PREPARE—Help preserve your park. Please don’t cut or
mow any plants or trees. Collecting animal or plant life
is allowed only for scientific purposes by permit from
your park in designated areas.
DON’T FEED ANY WILD ANIMALS.
ALCOHOL—State law permits alcohol use only in private
areas (inside your cabin or the camping unit) or in areas
designated on permits issued by the Virginia Department
of Alcoholic Beverage Control.

no longer than 6 feet. Please clean up after your pet. Pets

unattended. Firewood is generally available for purchase at the park.

In many cases, campers may be accommodated prior to
the official check-in. Please remember that only those
16 or older may register. The registrant is responsible
for all occupants of the campsite or cabin. Feel free to arrive
early and enjoy park amenities prior to check-in.

If you decide to leave the park before the end of your
overnight stay, you may be entitled to a refund based
on how much of your stay has already been used and
any fees due. Once you check in for your cabin or
camping stay, that night is considered used. If you are
camping, we take what you paid, subtract the fees for
the nights used and then subtract one additional night.
The balance is due as a refund. This means if you have
only a two-night stay, you will not receive a refund
if you leave one night early. If you are in a cabin or
lodge, the policy is different. First, we always keep at
least the first two nights’ fees. Second, we keep $20
per night for a cabin ($50 per night for a lodge). In
each night you didn’t stay and subtract that from the
fee for any unused nights beyond the two-night mini-
mum. If you started out with a weekend stay, you received
a discount when you made the reservation. If you don’t
end up staying the entire week, your fee will be recal-
culated at the higher, nightly fee rate. This means that
if you have a week stay and leave one night early, you are
not entitled to a refund.

CAMPING—Camping is allowed only in designated
campgrounds and only after following the proper check-
in procedure described in the Reservation and Fees Guide
available at the park office.
Campsite occupancy is for a maximum of six people or
the number of people residing in a single household. All
camping units, equipment and vehicles must be placed
within the perimeter of the designated campsite without
infringing on adjoining campites or vegetation. Where

high impact areas are designated, all camping units,
equipment and vehicles must be within the defined bor-
ders of the high impact area.

GUESTS—Your guests are our guests. For everyone’s safety
and security, please register all visitors with the park
office. Visitors will not be admitted to camping and cabin
areas unless so identified. Visitors are permitted only
between 6 a.m. and 10 p.m.

QUIET HOURS—Quiet hours are between 10 p.m.
and 6 a.m. The use of generators is prohibited during
quiet hours.

Park in designated areas only.

PARKING—Only two motor vehicles, as well as the camp-
ing unit, are permitted on a campsite without incurring
additional fees. Cabin guests are allowed two vehicles
for a one or two-bedroom cabin, three vehicles for a
three-bedroom cabin and six vehicles for a six-bedroom
cabin per day without an additional parking fee charge.
Additional vehicles must pay the prevailing parking fee
for each day that the vehicle is parked in the park. The
number of vehicles allowed to park at the cabin varies ac-
cording to site design and other factors. All vehicles must
park in designated parking areas, either at the cabin or in
the designated overflow parking area. Primitive and hike-
in sites may have park-specific parking restrictions.

The maximum camping stay per park is 14 days
in any 30-day period.

barrier-free as possible. Universally accessible facilities
are available throughout Virginia State Parks.
