WELCOME TO WESTMORELAND STATE PARK. To make your visit safe and more pleasant, we ask that you observe the following:

Take only pictures, leave only footprints.

PRESERVE—Help preserve your park. Please don’t cut or mar any plants or trees. Collecting animal or plant life is allowed only for scientific purposes by permit from the Richmond headquarters. Please use lantern hangers where available.

DON’T FEED ANY WILD ANIMALS.

ALCOHOL—State law permits alcohol use only in private areas (inside your cabin or camping unit) or in areas designated on permits issued by the Virginia Department of Alcoholic Beverage Control.

PETS—Pets are permitted in enclosed areas or on a leash no longer than 6 feet. Please clean up after your pet. Pets may not be left unattended at any time.

LITTER—Please help us keep the park clean by placing litter and recyclables in the proper receptacles and recycle centers or carrying out your trash.

FIRE—Help prevent wildfires. Fires must be confined to grills, camp stoves or designated fire rings. Fires must be attended at all times and extinguished when left. Firewood is generally available for purchase at the park. Campers (or guests) may collect only down and dead firewood. We enforce all seasonal and emergency bans against open fires.

POLLUTION—Help reduce pollution. Dump stations, laundry sinks and slop sinks, where available, are for the proper disposal of wastewater. Please, no boat, RV or car washing.

SWIMMING—Where available, swimming areas are generally open Memorial Day weekend through Labor Day weekend, weather permitting. Swim or wade only in swimming areas (inside your cabin or camping unit) or in areas designated, all camping units, equipment and vehicles must be placed within the perimeter of the designated campsites without infringing on adjoining campsites or vegetation. Where high impact areas are designated, all camping units, equipment and vehicles must be within the defined border of the high impact area.

Park in designated areas only.

PARKING—Only two motor vehicles, as well as the camping unit, are permitted on a campsite without incurring additional fees. Cabin guests are allowed two vehicles for a one or two-bedroom cabin, three vehicles for a three-bedroom cabin and six vehicles for a six-bedroom cabin per day without an additional parking fee charge. Additional vehicles must pay the prevailing parking fee for each day that the vehicle is parked in the park. The number of vehicles allowed to park at the cabin varies according to site design and other factors. All vehicles must park in designated parking areas, either at the cabin or in the designated overflow parking area. Primitive and hike-in sites may have park specific parking restrictions. The maximum camping stay per park is 14 days in any 30-day period.

PARK ACCESSIBILITY—We strive to make each park as barrier-free as possible. Universally accessible facilities are available throughout Virginia State Parks.
