

Occonechee State Park Marina Information

51 Total Marina Slips, all with water and electric service

- 6 Transient slips for campers and cabin guests (one handicapped accessible)
- 24 Twenty-foot slips with 20 amp electric service (2 handicapped accessible)
- 18 Thirty-foot slips with 20 amp electric service
- 3 Thirty-foot slips with dual 20 and 30 amp electric service

Annual Slip Rentals

- The park will accept applications for annual rentals through February 15 of each year.
- Applications available at the park or on the internet: www.virginiastateparks.gov
- Rental period will be March 1 to last day of February of each year.
- Applicants will be selected by random drawing for each type of slip
- Renters for year 1 will be guaranteed one renewal year (2 years total). The park will decide if additional rental renewals will be available based on public demand for slips.
- The Park will maintain a waiting list of applicants and by random drawing select new applicants by March 1 of each year.
- Pro rated and monthly fees available for slips not rented on a annual basis.

Fuel Dock and Marine Pump Out

- Located near boat ramp, at boat rental area
- All fuel sales “pay-at-the-pump”
- Ethanol-free gasoline
- Marine pump out available to public and marina renters
