

EXPLORE VIRGINIA CAVES

Specialty License Plate

There's a new Specialty License Plate proposed to help bring attention to the amazing caves we have in the Commonwealth. Be among the first to sign up to receive this beautiful plate to show your support of our natural resources in Virginia. The plate will be a revenue-sharing plate where \$15 of each plate sold will go to support the work of the Cave Board after 1,000 plates are sold.

We have designed the plate to support the Virginia Cave Board. The Virginia Cave Board works diligently in collaborating with multiple organizations and the Virginia Department of Conservation and Recreation to promote the conservation and protection of caves, karst, cave life and environmental education.

We must collect 450 pre-paid applications before the General Assembly will approve the plate for distribution. To be a part of this exciting new design, complete the attached application and submit to the address below.

For more information on how to obtain the special license plate, contact Michael Fletcher (FOIA Officer), DCR, at 804-786-8445, michael.fletcher@dcr.virginia.gov. You may also contact Elizabeth Good at 540-743-6551 ext. 2250.
