

## **TRC Conference Call Meeting Notes**

**August 28, 2017**

---

- 1 RMP Implementation and Development Funding in PY '18  
RMP staff reviewed the funding memo which had been provided to Districts via e-mail on August 8.
- 2 Demonstration of mapping point and using the measure tool within an RMP-1 VACS instance  
As stated in the funding memo, additional data must be completed in the practice measures section of any RMP-1 cost-share applications entered into the module in PY'18. Roland demonstrated these additional data points via webinar.
- 3 Questions and Comments
