

Saturday April 1st – Saturday April

Easter Rock Hunt

Painted Rocks will be hidden along the sides of Rock Spring Pond Trail, Big Meadow Trail, and Civilian Conservation Corp Trail. If you find one, return it to the Visitor Center and receive a free Sticker (one sticker limit per person).

DO NOT steer away from the marked trail, the rocks will be placed within reaching distance of the walkway. Remember that going off the trail increases risk of getting hurt, lost or damaging the natural flora of our park!
