

# FRIENDS OF KIPTOPEKE STATE PARK SPRING MEETING

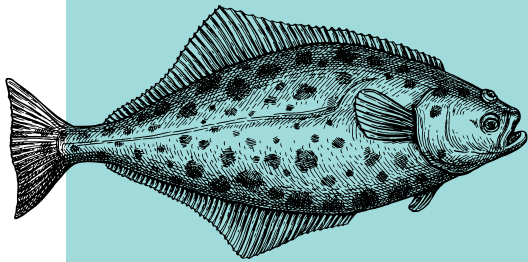

GUEST SPEAKER RICHARD SNYDER  
OF THE VIRGINIA INSTITUTE OF  
MARINE SCIENCE (VIMS)

**APRIL 5TH, 2023**

**5:30PM**

**BIG WATER VISITOR CENTER**

Robert Snyder will talk about some of the fish work being done at the VIMS lab on the Eastern Shore of VA, common species found in the area, life history information and species range shifts with warming coastal waters, and the importance of collecting annual data for long-term ecological records.

AFTER THE MEETING JOIN THE FOKSP  
TO WATCH THE SUNSET OVER THE BAY
