Canoemobile Community Paddle

In partnership with Blue Star Families, Wilderness Inquiry's Canoemobile is coming to Westmoreland State Park!

Join us for a **FREE** community event.

Canoemobile is a touring fleet of 24-foot North canoes and a crew of trained outdoor leaders that travels across the country to connect communities to their local waterways. This program combines outdoor education experiences and accessible recreation to utilize under-appreciated urban resources, especially urban waterways.

“

I never knew how much I loved nature until I felt the breeze and heard the trees dance in the wind on the canoe.”

— ELSA, AGE 9
CANOEMOBILE PADDLER

Paddling fun for all
ages & abilities!

October 12, 2024
10am - 2pm

Westmoreland
State Park

2425 State Park Rd
Montross, VA 22520
