## **Photography Permit Conditions**

- 1) Park rules and regulations are enforced at all times.
- 2) Photo sessions may not impede other visitors' normal use and enjoyment of park resources, nor interfere or infringe upon park programs, events or other park-permitted functions.
- 3) Permitted photo vendors are encouraged to contact the Park, (540) 592-3556, at least 48 hours in advance of each visit to be informed of any programs, events, or other permitted functions that may preclude desired session location or time.
- 4) The vendor is required to carry the Sky Meadows issued lanyard while conducting photography sessions. This must be shown to any ranger who asks to see it.
- 5) The vendor is required to provide identification for their vehicle and the vehicles of any clients. This can be easily done by obtaining a yellow self-pay parking envelope from any of the entrance kiosks, tearing the hang tag off and hanging it from the car mirror with the correct day punched out. The photographer's name and permit number should be written on the envelope and the envelope dropped into the honor payment box.
- 6) Failure to meet the obligations of permit will result in revocation of the remainder of the permit year without refund.
- 7) The Park reserves the right to refuse any requested session date(s) and location(s) due to conflicts with other Park activities.
- 8) The annual permit fee is \$250 and extends for the calendar year. This fee covers parking fees for the vendor and clients. The annual fee will be prorated based on the month of application. Photographers are responsible for annual renewals.
- 9) The park will keep a list of permitted photographers that will be shared with guests inquiring about these services. There are often requests for weddings and other events that may be looking for these services.
