Math in Nature

Can you find these items?

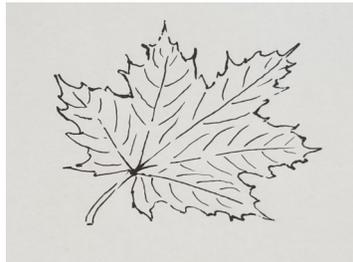

→ 1 Tree

→ 2 insects

→ 3 Leaves

→ 4 Flowers

→ 5 Birds

Natural Tunnel State Park

Photo Scavenger Hunt

Up for a challenge? Solve the riddles on the list, then find and photograph the answers.

My rings are not worth much, but they do tell my age. What am I?

I am found along a famous road, once walked by many. I provide protection from the outside with my small windows and steep roof.

I am dark on the inside, but light on either side.

I have one story and contain logs, but am not a forest.

Hook, line and sinker will do the trick. To catch a fish, this spot you will pick.

Falls off of birds and crows. You can use it to tickle someone's nose.

I am filled up, but never down. To go inside, you wear a special gown.

I have no legs, but can get from one place to another by the turn of a wheel.

Off my tree I am alone. Do not eat me with ice-cream, even though I am a cone.

I run as long as I'm told. But stopping me requires skill. No matter what, I always stay on track.
